Day 1: Singapore – Gemas

Board the striking green and cream carriages of the Eastern & Oriental Express at Woodlands Station, Singapore. Settle into your modern cabin and watch as the train travels through lush, green landscapes, setting the scene for your immersion into wild Malaysia. After the afternoon tea, spent soaking up the vistas from your cabin, dinner and onboard entertainment await in the Dining Car.

Day 2: Taman Negara - Kuala Lumpur

This morning, enjoy your breakfast and admire the views of the Jungle Railway as the train courses through some of the wildest parts of Malaysia. After lunch, you arrive at Merapoh station and alight for some extraordinary experiences in Taman Negara National Park—formed 130 million years ago, it's one of the oldest tropical rainforests in the world.

The dense jungle, wide rivers and lush mountains are home to wildlife ranging from water buffalo to macaques, tapirs, and hornbills to the Malayan tiger—a true explorer's paradise. From here, choose among a wide variety of excursions: venture into the forest to explore the habitat of the critically endangered Malayan tiger (sightings not expected) and meet local activists striving to safeguard its future. Or, join a nature photographer and conservationist for a wild and wonderful immersion, hearing the chant of gibbons as you learn to focus in on the jungle's beguiling details. Alternatively, discover the otherworldly allure of the magnificent caves of the region, gliding from one to another by e-bicycle. Or, finally, enjoy a sublime wellness experience, including sunrise yoga, forest bathing and sound meditation.

Return to the train where a lively evening with local entertainment awaits in the Piano Bar Car, preceded by a delicious dinner.

DIOR SPA

Offering a sanctuary of tranquility, the opulent DiOR Spa Eastern & Oriental Express occupies one of the train's 16 carriages.

Onboard, two treatment cabins await, adorned in the iconic Toile de Jouy motif — Christian Dior's favourite emblem — and breathtaking hand-crafted tropical wood materials, a true reflection of Southeast Asia's incomparable beauty. Inside the spa on rails, shades of green and beige are paired with a soft brown palette, a nod to the ever-changing landscapes the train travels through.

Day 3: West-coast Line – Penang

Enjoy breakfast on board before alighting for the crossing to Penang Island.

Here, we've created a choice of excursions that make the most of Malaysia's cultural melting pot. Art lovers can explore George Town Old Quarter on the backseat of a Vespa with a guide, discovering its vibrant architecture and cultural influences before visiting some brilliant local artists in their studios. Food aficionados can embark on a discovery of Peranakan cooking, purchasing specialities from spice and grocery stores before mastering delicious local dishes in a cookery class. Or, for those who prefer to explore independently, we present you with a tri-shaw, a driver and a map, so that you can wind through Georgetown's enchanting streets and visit its attractions on at whim.

Rejoin the train at Butterworth for lunch and a leisurely afternoon on board—the perfect time to visit DiOR Spa. Later, continue relaxing on the train or take the opportunity to stroll through the Malaysian city of Ipoh, a former tin capital and gateway to the Cameron Highlands, where old-world charm meets contemporary street art.

Return to the train for a convivial final evening on board with sublime cuisine and fabulous entertainment.

Day 4: Johor – Singapore

Linger over breakfast in your cabin or the Dining Car as you travel through the southernmost state of Johor, known for its beaches and rainforest. Soon afterwards, the train crosses the strait to Singapore, where you disembark with your magical memories.

## PULLMAN CABIN

A paradise of vintage charm, the twin bed setting of the Pullman Cabins dazzles and delights. Relax onto plush seating by day as your cabin is flooded with light, courtesy of the two large windows. After the stars emerge, enjoy upper and lower berths cosy with crisp linens. Please see adjacent floorplan for day and night setting.

## STATE CABIN

The light, airy State Cabins of the Eastern & Oriental Express connect you to the passing landscapes outside. Recline in spacious elegance by day; toast the day's adventures with a nightcap before settling into two single beds at floor level at night. Marvel at the unique designs of the State Cabins, as Malaysia rushes by. Please see adjacent floorplan for day and night setting.

## OBSERVATION CAR

Head to the Observation Car to enjoy the breeze and the ever-changing views. Located at the rear of the Eastern & Oriental Express, it's the perfect place to sit back and relax under the moonlit sky.

Panelled walls and teak floors evoke a bygone era, giving the Observation Car a certain spirit of grandeur.

## MEET THE CHEF

ANDRÉ CHIANG

As the Eastern & Oriental Express rejoins the historical tracks of Southeast Asia, we welcome Chef André Chiang to our new culinary chapter, bringing his wealth of experience to the train's two restaurant carriages, Malaya and Adisorn.

Take a seat, surrounded by an interior decoration inspired by the region's lush green tea plantations and the deep hues of Malaysian landscapes, discover Chef André's modern take on Southeast Asian cuisine and let his menu delight your taste buds.
