Board the Venice Simplon-Orient-Express at Venice Santa Lucia for a lavish three-course lunch in one of our hand restored 1920s restaurant cars. Then spend the afternoon relaxing in the comfort of your suite or cabin, gazing at the beautiful scenery as the continent passes before you.

A selection of pastries will be served to your quarters, before a leisurely four-course dinner; prepared on board by our famed French chefs. Later, enjoy cocktails and free flowing champagne in the Bar Car, listening to the resident pianist play your requests on the baby grand. **Black Tie for dinner please**, and guests dine throughout the evening at a time chosen from two options - we usually dine a little later.
